Donation Information

Each family is asked to consider a minimum donation of \$1,500 for this significant classroom improvement project. This is incremental to any parent commitment you may already have made as this is a one-time, special project requiring immediate funding. Although donations in any amount are greatly appreciated, those who contribute \$1,500 or more will be recognized on a beautiful wooden plaque to be placed on the wall inside each classroom.

In addition, donors are being sought for naming rights to the following items in each classroom. These donors (of \$2,500 or above) will be additionally recognized by name on a plaque that will hang inside the classroom.

\$25,000 for the technology station
\$10,000 for overhead projector
\$5,000 for the windows
\$5,000 for room furnishings (tables/chairs)
\$5,000 for whiteboards
