

Incoming Freshmen Equipment Needs

HELMET:

How to order helmet: I suggest all players purchase the Cascade CPX Helmet, it is a little more than the CPRO but is adjustable so it will be the only helmet you will need for the duration of high school.

Where to Call:

TL Fritts @ 847.446.6695

560 Chestnut Street, Winnetka, IL 60093

Tell them you are from Saint Ignatius College Prep and they will know what to order, however, reiterating what is below is recommended.

Shell – Athletic Gold

Visor – Athletic Gold

Chin – Athletic Gold

Vent Covers – Maroon

Black Face Mask

In addition to this helmet, you will be charged a couple of dollars for our team Maroon "I"s that go on the side of the helmets.

EQUIPMENT:

Stick(s) - we suggest two sticks, always good to have a back up just in case

Gloves (Black or Gold/Maroon) – Goalies are special, see Coaching Staff, otherwise your choice

Arm Pads (Black) – Your choice

Shoulder/Rib Pads – Your choice

Mouth Piece and Cup are MANDATORY, Cup Checks are regularly held

Cleats – We will have a team order in January for those interested

There are a number of manufacturers that make quality gear that range in price. I recommend going to TL Fritts (see helmet order) and/or any Lacrosse America store to get outfitted. You can also visit www.LAX.com, www.QCLAX.com, and many more online stores. Dick's is also an option. Feel free to call/email Coach Stevenson regarding any and all equipment questions.
